

## Site Council Meeting

10-22-18

3:45

Approval of minutes and agenda= Gilman & Thye

### Teacher's Report-

- Burnett reported success of how Kindergarten started the year and how smooth the transition was for the kinders into their homeroom classes. Parents and kinders were happy with the new system.
- Thye- Intermediate rolling through assessments, building on routines and moving forward with academics.
- Classified- Nothing new to report

### Parent Report-

- Sasha Fallon- PTA is looking great! Organized and working well as a team.
- Nikiski has a community hockey team that is growing and doing well. Many of NNS students are either on the team or part of the learn to skate program.

### Principal report-

- October enrollment as of the first was 328 and the school is currently sitting at 337.
- Staffing is based on a formula and could look different next year.
- Attendance was at it's highest percent as of today.
- Office is requiring parents to walk students in and sign them in if they are late to school.
- PL learning walks coming up for all teachers to observe PL in our classrooms.
- Calendar- in-service day has been moved to the first day back from vacation
- NNS has been ranked Universal on state rating; Margret will get back to us with more info of exactly what that means for NNS.
- KPBSD site council will be held at NMHS at 6:00 on October 30<sup>th</sup>.

Next meeting will be on November 12<sup>th</sup> at 3:45 in the teachers lounge.
