

Site Council

October 7th

Mrs. Gilman

Wally Hufford

Deni Pennison

Sara Segura

Michelle Burnett

Jody Titus

- We need two parent representatives to join the council. Mrs. Gilman will put that in the school newspaper
Deni was nominated for President and Michelle nominated for secretary

Upper wing Report-

- Grades have started leveling out to meet student needs with several classrooms.

Lower wing Report-

- K/1 using an assessment program called ESGI
- 2nd grade is starting to have students self-evaluate and use their data for learning.

Public Report-

- Concern about the teacher strike at the time

Parent report-

- Parents felt well informed about info about strike, appreciated excused absence with strike / no school day. Beginning of the year was wonderful.

Principal report-

- Students 341 students as of today after new students enrolled today.
- Attendance Goals- A previous school goal and struggled to improve. We have moved the attendance percent up one point.
- Happy to say we had a NO strike day.
- School goals review- Kagan strategies, culture, student reflection & ownership. Teachers will give a survey on the 15th of each month to collect data on how students feel about school.
- Reading Ideas- 75% of first graders are below the 25% at the beginning of school.

Give Pre-K or Kinder parents the Mem Fox book each year about the importance of reading. READING MAGIC

Putting up more lending libraries around our community.

Possibly work with North Pen Rec to create a summer reading program.

Principals will possibly be getting the word out on the radio. Giving parents tips to help encourage reading.

Reading is fundamental commercials- have them play in the lobby during conferences.

Fire station- could they help with putting words on their reader boards.

Local pizza restaurant – post words on their pizza boxes, what are you reading tonight?

A reading scavenger hunt in our community with local businesses.

- Mission Vision

The group-shared values from staff and parent views of what they feel is important for their students and children to feel at the end of the day. Engagement, safety, Emotional acceptance, students feel connected, happy kids, success stories from school, community involvement, individually challenged,

Nikiski North Star where students are-

Safe, connected, engaged, accepted and individually challenged as learners.

- Next meeting dates-

November 18th

January 13th

February- Possible meeting

April 13th
